Full Stock of
**ROLLING STEEL
&
ROLLING SHEET**

Texdoor carries over 250 sheet doors in 35 different sizes of the models 650, 2000, and 2500. Special sizes or colors are available within one week.

We stock over 100, 22-gauge rolling steel doors ranging in size from 5'x8' to 20'x12'. If you need a replacement curtain quickly, we stock 3" flat slats to 36'6" and 2" slats to 18'6." We also stock a full line of replacement rolling door parts.

GLAZING

Our technicians can precision cut for the most demanding needs. We stock a wide assortment of window kits including non-insulated, vinyl back insulated, and 2" sandwich door frames. We also offer a variety of design trim.

SPRING FABRICATION

Texdoor carries an extensive spring inventory of 1 3/4", 2", 2 5/8", 3 3/4", and 6" wire sizes. If ordered by 3 P.M., orders can be shipped the same day, including duplex spring assemblies. Call us for your single spring needs or let us quote your bulk spring requirements.

OVERHEAD PARTS

A showroom full of sprockets, door locks, roller chains, masterlinks, v-belts, and limit switches is carried by Texdoor.

GATES AND OPERATORS

A full line of gate operators, accessories, and repair parts are in stock...all at great prices.

DOCK EQUIPMENT

Using only the highest quality manufacturers, we have assembled a full line of specialty products with unique features. This distinguishes us from our competitors. We carry traffic doors, dock levelers, dock seals, truck restraints, air doors, strip curtains, and high-speed doors.

TRACKS

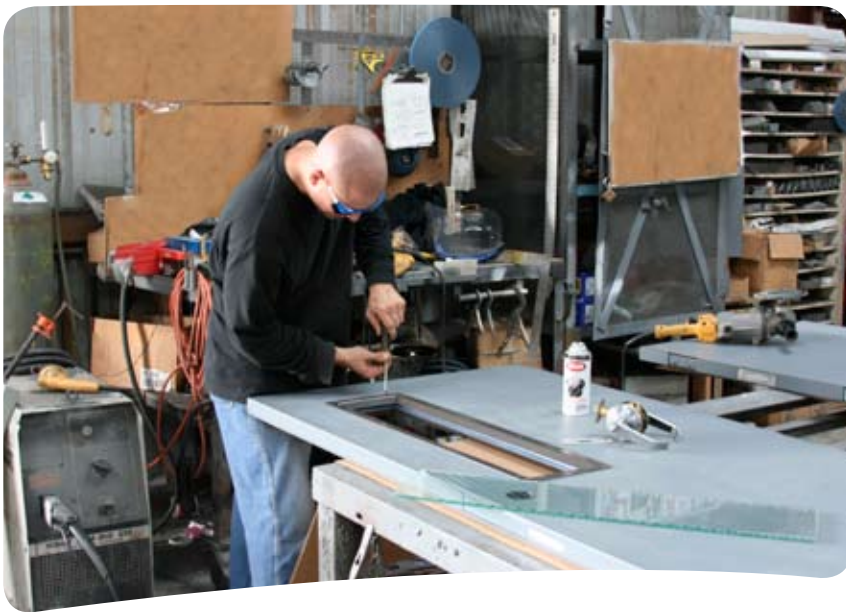

We offer custom built, standard lift, vertical lift, and up to 12/12 pitch in 2" and 3" tracks.

Express CUSTOM FABRICATION

We carry 2" thick steel sandwich and urethane sections and insulate our vinyl back or 26-gauge steel back commercial pan doors in-house.

A large inventory of hollow metal doors, frames, and hardware is maintained at all times. Frame sizes range from 4 3/4" to 8 3/4." Door sizes range from 2' wide to 4' wide. We also carry 3'x7', 4'x7', and 6'x7' white embossed frames and doors for metal buildings.
